

A SIMULCAST WITH ANNE GRAHAM LOTZ & JOEL ROSENBERG 9/11/11

What is a simulcast?

Simulcast is shorthand for “simultaneous broadcast.” On 9/11/11, this event will be broadcast across the Internet into church sanctuaries, viewed on personal PC’s and broadcast on radio stations.

What is A WAKE-UP CALL For God’s People?

A Simulcast featuring Anne Graham Lotz and Joel Rosenberg, available for viewing:

- congregationally in church sanctuaries
- individually on a personal computer in a home, Bible study or small group

What is the aim?

The sole purpose of the Simulcast is to revive the hearts of God’s people, waking them up in their relationship with Him and restoring a vibrancy to their faith.

What time will the broadcast air on September 11, 2011?

7:00 pm EDT/MDT

6:00 pm CDT/PDT

What will be the content of the program?

Joel Rosenberg will deliver an informative opening message – a 45-minute teaching on Biblical prophecy and current events that point to Jesus’ return.

Anne Graham Lotz will give a stirring, 45-minute challenge from Isaiah, urging the Church to get ready for the return of Jesus by repenting of sin, returning to the Cross, and recommitting to the proclamation of the Gospel.

Selah will lead in worship throughout the program.

What will happen in the weeks before and after the Simulcast?

The Simulcast will be preceded by 30 days of guided email prayer for those who choose to participate.

One week following the Simulcast, host sites will be invited to begin a formal follow-up Bible study that continues the pursuit toward personal revival. The Bible study material to be used is a small-group, video-based series taught by Anne Graham Lotz, Henry Blackaby and Crawford Loritts. While this follow-up Bible study is not required, we encourage churches to take advantage of this opportunity.

How much will it cost to host the event in my church or other host site location, or to view it personally online?

This is a FREE event if simply viewed online and for attendees of the larger, hosted events.

For host sites, there will be a one-time site fee of \$100 to receive a dedicated feed.

How could I become a host site?

Ensure your location has access to a high-speed Internet connection and the ability to project an Internet web-stream onto a screen for viewing.

Host sites are not required to be church settings, but may be non-traditional, including homes, clubs and offices.
